

**American Folk  
Music & Dance**  
*Terrence and Marge Smith*  
1428 Belmont Road  
Duluth, MN 55805  
728-1438

**We welcome you to share with us  
some deep and wonderful traditions!**

**For 25 years Terrence has  
been leading dances in the  
community and schools, helping the  
beginner relax, while delighting  
those who dance regularly. He  
plays guitar, banjo, harmonica, and  
the Irish *Bodhran*.**

**Marge began playing the tin  
whistle as their daughter was  
learning the fiddle. Soon there  
were dances at the house, and she  
joined Terrence in the schools,  
barns, churches, camps, and  
community centers.**

We present programs that blend participation with performance, and we can make the most of your group's interests and strengths.

### Special Events

Fall Fest, Ice Cream Socials, Birthday parties - any occasion is a good time to celebrate with some favorite songs, or kick up your heels to a lively dance tune. Program designed to fit your tastes and needs.

#### Barn Dance

A gathering in the church social hall or community center on any evening or afternoon mixing all ages by doing simple Playparties, Reels, and Big Circle dances that have the younger set engaged, and the elders smiling as they share some special moments. 1 - 3 hours.

#### House Party

A presentation that begins with some traditional tunes, a few sing-alongs, and then perhaps a short dance or two "just like the old days". A brief history of the instruments, songs, and traditions is woven into the program as we go along. 1 hour (+ or -)

We bring an adequate sound system and need a small table, a chair without arms, and 30 minutes to set up. Fee: Negotiated
